Disclaimers

*Package price is for service and items listed in package only. It does not include trenching and wire from main panel or pole to new panel which is an added price per the amount indicated in chosen package, at the estimated distance that is provided by customer. Customer will be charged by actual wire footage installed.

- If distance is over 200 ft it will result in additional charges due to Power Company Standards and Codes that require additional work and materials for A/J Electrical.

*All pricing for receptacles is based on minimum of 10 receptacle per circuit. If separate circuits are requested there will be an additional cost.

*New panel tie in from main panel will be constructed per the contractors' standard procedures. If customer has special request, it may result in additional charges.

*Sconce light price is wiring and installation only. Fixture is provided by customer.

*Package pricing does not include:

- any rock trenching and jack hammering. This is done on an hourly rate of \$200 per hr.
- any patching / repairing of concrete due to trenching
- any patching / repairing of walls or ceilings due to trenching
- any concrete coring or trenching
- any weekend, holidays or after hours work
- any underground utility repair

Total Contract Price including Package, Distance, and all add-ons Selected. \$_____

This does not constitute an official contract until approved and signed by A/J Electrical. Contract price is valid for 30 days from the date signed below. All material is guaranteed to be as specified, and the above work to be performed in accordance with the specifications for the above work and completed in a substantial workmanlike manner. A/J Electrical LLC will provide workers compensation and general liability insurance for the above project. Any alterations from the original contract received by A/J Electrical LLC will result in additional charges and will only be completed upon approved change order. Job waste will be disposed of in dumpsters provided by customer. I agree to pay A/J Electrical the full contract amount above and any authorized change order amounts, in full, 7 days from receiving an invoice upon completion of work.
